Hi <<Don't put your details here!>>,

Our next monthly meetup is this Friday (refreshments provided). We hope to see you there to discuss all things new in machine learning, as well as talk about what we've been working on!

In other news: AI UK, the UK's national showcase of data science and artificial intelligence, is taking place in London on the 19th-20th March 2024. There is the possibility of expenses being covered and as such we are assessing interest.

If you're interested, please see details below and **complete the interest form before the 30th November**.

We look forward to seeing you on Friday!

## SciML Leeds: AI UK 2024 Register Your Interest

We are excited to **offer an opportunity for up to ~15 individuals to attend AI UK**, the UK's national showcase of data science and artificial intelligence, taking place in London on the 19th-20th March. <https://ai-uk.turing.ac.uk>

There is the possibility of **funding to cover expenses including tickets, transport, and accommodation**. As such, we are assessing interest for the next week.
