

Happy New (Academic) Year!

We have lots already planned, and the first event is the return of the monthly coffee morning! We will be meeting this Friday (4th October) at 11:00am, however due to scheduling conflicts we will be in a different room to last year. You will find us in room 11.09 in the Worsley Building this time, and next month (1/11/24) we will be back to our normal room of 11.87.

Coffee and cakes will be provided, we hope to see some new faces amongst the familiar ones!

Do you have something you want to share in the next SciML Leeds newsletter?

Share it with us by [clicking here](#), and we'll feature it!

Updates

- We now have a dedicated email address you can contact us with: sciml@leeds.ac.uk!
- We have a Teams channel under the LIDA group - [click here to visit it](#) and make sure to turn channel notifications on.

- If you'd like to add your profile to sciml-leeds.github.io, we have a tool to make this easier. [Click here](#) and fill out the form with your details.
 - We are looking into funding registration fees for [PhD Connect](#) (21-22/11/24) and also funding registration, accommodation and transport for [AIUK 25](#) (17-18/3/25). If either of these events sound interesting to you, keep your eyes peeled for our expressions of interest forms (hopefully circulated in the next week or two).
-

Resources

- **[Paid Internship Opportunity]** - 7 Paid Internships with the Alan Turing Institute in areas of research across the justice, clean energy, data engineering, insurance and defence & security sectors. For more about the internships, the eligibility and how to apply, please visit their [website](#). **Deadline for applications is 11:00 am Tuesday 8th October**
 - **[Resource recommendation]** - [Pytorch crash course in 50 minutes](#)
 - **[Resource recommendation]** - [Visual explanations of core machine learning concepts](#)
-
