Dear <<Don't put your details here!>>,

On Thursday the 7th of December, starting at 17:10, Ali Chaudhry from Veracious AI will be hosting a series of talks on the 'Limitations of Large Language Models'. This will be the first Generative AI & RL Community meet up in Leeds and will be held at the University of Leeds. We have two exciting talks lined up:

- Prof Serge Sharoff: Addressing Biases in Large Language Models
- Prof Eric Atwell: The main limitations of LLMs: Imagination and Creativity

You can find more details and register for the event here.

We hope to see you there!

All the best,

AI^2 and Leeds SciML
